

Additional Columbarium Rules and Regulations

1. An Inscription Form will be provided by the Village where information will be provided. The Village is responsible for the engraving and installation of the niches.
2. No flowers, ornaments, decorations, embellishments, memorial items or other articles or objects shall be attached to or placed in/near Columbarium. The Village of Saukville Public Works Department reserves the right to remove any decoration at any time for any reason.
3. To Maintain the uniform appearance of the Columbarium and in respect for the dignity of all Grantees presently inurned or to be inurned in the future, deviations from the standard typeset (size and font of lettering), logos artwork or engraved decorations on the stone fronts are prohibited.
4. The inside dimensions of each niche are 12X12X16 inches deep. This size niche can accommodate two (2) cremains. Containers holding the cremains to be inurned shall be in a material approved by The Village of Saukville Public Works Department and be in a size suitable for the size of the niche. (no cardboard boxes allowed) The Public Works Department shall have full authority to refuse to accept for inurnment in a receptacle deemed unsuitable.
5. No inurnment of animals is permitted.
6. Inurnments out of normal business hours are subject to an additional \$400 fee.
